Christianity is a bold and transformative movement that demands nothing less than complete surrender to the teachings of Jesus Christ. It requires followers to shed their selfish ways and adopt a Christ-like persona. This is a lifelong commitment that demands an unwavering determination to change and become more like Jesus Christ. If you truly desire to be more like God, then you must choose to change intentionally and not expect it to happen by chance.

Often, we may think that we are waiting for God to change us. However, the truth is that God is waiting for us. He is waiting for us to show willingness and say, "Yes, Lord, I am ready to make these changes." In order for us to grow, we must make intentional choices. Growth and change go hand in hand, and change is often accompanied by loss and pain. If we want to grow, we must be willing to let go of certain things from the past and embrace new things, knowing that God is with us every step of the way.

Many of us have not experienced real change because we have not made a choice for Christ. Rather, we are still holding on to old patterns, habits, and ways of thinking. You must let go of your old ways. Ephesians 4:22 tells us, "Throw off your old sinful nature and your former way of life." In other words, let it go. Those old habits, those old hurts, those old patterns, those old sins in your life—let them go. The apostle Paul in Philippians 2:13 says to throw them off and trust that God is working in you. Choose to change for Christ.
